Council for the Homeless NI is primarily an umbrella organisation, providing information, advocacy, lobbying, research and training services to those organisations that provide services, whether directly or otherwise, to the homeless population in NI. This said, CHNI does have members in ROI, Scotland & England. CHNI would provide a signposting service to all homeless people, if they approach us for information (all age groups and household types). Furthermore, CHNI provides a youth - training programme, providing essential skills and multi-media training to 16-25yr olds. This programme is delivered by our Youth Participation Officer.

**SERVICE**

Offers treatment for many different problems. They have a residential unit in the Northern board area that helps people recover from mental illness or emotional breakdown. They also run groups to help people who have been emotionally affected by "the troubles". Threshold use a type of talking treatment where they help a person to look at their relationships with other people and how this may affect their emotional wellbeing.
