

## **Causeway Rural and Urban Network**

### **'Drugs, Alcohol and Women's Health'**

This is a **one** day educational course in association with HIT, Liverpool, providing knowledge specifically targeted in relation to the effects of Drugs and Alcohol on Women's Health.

The course seeks to improve knowledge surrounding the effects of drugs and alcohol during pregnancy and newborns, and lifestyle changes/health improvement.

We are offering this course on 2 separate dates, if you are interested please fill in the attached application for and return to [amanda@crun.org](mailto:amanda@crun.org).

Tuesday, 8<sup>th</sup> June 2010, Trinity Church, Roddenfoot, Ballymoney,  
9.30am – 4.30pm

Thursday, 10<sup>th</sup> June 2010 Causeway Hotel, 40 Causeway Road, Bushmills  
9.30am – 4.30pm

We welcome applications from local groups of adults or young people who could benefit from any of these programmes. Priority will be given to groups working with adult resident in disadvantaged areas, with a special focus on young adults aged 18-25 years, substance misusing parents, women's groups and older people's community groups.

Causeway Rural & Urban Network has been funded by the Public Health Agency (PHA) in support of the Northern Drug & Alcohol Co-ordination Team's (NDACT), Action Plan to provide targeted education and prevention programmes for adults and young people in the period April 2009 - March 2011.
